

# Email to Personal Injury Attorney

Subj: Your Facebook Ads Aren't Running

Hi,

I'd like to help you with your Facebook Advertising.

We've been running a highly successful Facebook advertising campaign for personal injury attorneys in a different city and are looking to find the right one in <city>.

Our method will get you a ton more exposure and is way cheaper and more effective than Billboards and Commercials.

Give me a call and I can tell you more about how it works.
